INNOMATİCS RESEARCH LABS

📢 Power BI Assignment Notification

Dear Students,

You are required to complete the following Power BI assignment:

🔹 **Task**:

- Choose any dataset of your choice (can be from domains like HR, Sales, Education, Healthcare, etc.).
- Perform necessary data cleaning and transformation.
- Create relevant visualizations to analyze the data.
- Design an interactive **dashboard** based on your insights.

🔹 **Submission Format**:
Export your **Power BI dashboard** as a **PDF file/PowerBI File** and submit it in **Discord** and **LMS** as well

📌 Ensure your work is original, well-structured, and reflects your understanding of Power BI concepts.

For any queries, feel free to reach out.
All the best!
